# Our Finishes

---

Caesarstone offers a variety of finishes, dressing the surface in a way that brings out the best in the design while ensuring it remains long-lasting without the need for sealants or wax.

---

## Polished

Polished finish emphasizes the surface features with its stunning luster.

---

## Honed

Honed finish offers a special organic luminosity.

Caesarstone's sustainable surfaces are part of everyday life in millions of homes worldwide. Our countertops are crafted to be the bedrock for family life, inspiring a dynamic space in the heart of the home. We care about enabling people to live harmoniously within their natural ecosystem.

Everything we do is aligned with this purpose, driven by our Home Ecosystem Surface™ approach that is human-centric and sustainability-aware.

This is how we ensure that when you buy a Caesarstone countertop, you buy an ecosystem.

1004 Stoneburst

# Pebbles Collection

## 1001 Riverlet

A gentle off-white touched by warm amber capillaries that flow softly across the surface, with a Honed finish for a tinge of freshness that reflects more light.

PRM H

## 1002 Wyndigo

Warm earthy gradients wash over a soft greige surface veined with foamy greys, capturing a pebble’s two-toned mottled patina that is accentuated by a Honed finish for an authentic presence.

PRM H

## 1003 Raindream

Two layers of slate greys are accentuated by soft dark grey strokes contoured in neutral highlights, with a Polished finish that makes the surface look like a wet river stone.

PRM P

## 1004 Stoneburst

Two shades of sage grey with soft mineral undertones and subtle grey veining, in a Honed finish that complements this calm complexion.

# Nature-inspired Designs

## 5820 Darcrest

A mysteriously dark earthy base, enriched by tiny spots and sediments with a veil of organic ochers and brownish greens like erosion on a rocky hillside, enhanced by a Honed finish.
